	23.09.2019	09.00 - 17.00	

Participants may commence **dismantling** of their expositions **only after 19.00 on 20.09.2019**. Non-compliance with this stipulation may result in penalties imposed under the provisions of Clause 8 of the Rules for Participation.

2. Removal procedure

2.1. To remove the exposition (including commodities) from the exhibition area, the Participant shall receive a Removal Permit by the Organiser's staff members hereunder and attesting the following:

- 2.1.1. Hand-over of the Exhibit Space (Standard and Additional Equipment) – person in charge – Project Manager;
- 2.1.2. Payment of Application fee, Additional Equipment rental and other fees stipulated in the Contract-Application – person in charge – Accountant;
- 2.1.3. Settlement of customs matters including respective payments – person in charge – Customs Officer.

2.2. **The Exhibitor is responsible for the security of exhibits during removal and make sure that it is done by his authorised representative!**

3. Participant's obligations during the exhibition

3.1. The Participant shall provide permanent presence of at least one authorised representative, hereinafter referred to as Representative, in their Exhibit Space during the exhibition and, if necessary, during the open period of setting up, dismantling and removal (a person shall be deemed a Representative if he or she proves his or her association with the Participant and is present in their Exhibit Space); the Representative shall also act on behalf of the Participant and be responsible for keeping to the provisions of the Contract-Application, Rules for Participation and the Regulations of the Exhibition and pay special attention to supervising the Exhibit Space.

3.2. The Participant ensures that people employed in the Exhibit Space during the exhibition have all the necessary permits, certificates, health certificates and other documents as provided for in the corresponding legal texts.

3.3. The Participant ensures that their Representative is acquainted with the Instruction for Fire and Work Safety as well as the present Regulations. The Participant and the Representative are solidarily responsible that the Participant and their staff employed in the Exhibit Space during the exhibition keep to the above-mentioned Rules and the present Regulations. The Representative assumes responsibility signing in the register and then is entitled to receive Participant's badges and temporary passes that give the Participant the right to set up the exposition.

3.4. The Participant shall inform the Organiser in writing about loss of property from the Exhibit Space no later than 30 minutes after the exhibition pavilion has been opened to Participants. (Complaints in writing shall be submitted to the Information Centre).

3.5. The Participant shall be entitled to produce special acoustic advertising during the exhibition (including technological sounds) only with the written permission of the Organiser (according to the schedule of the acoustic advertising), it should not exceed 80dB on the line of perimeter of the Exhibit Space, whereas the rest of acoustic advertising (including technological sounds) during the exhibition shall not exceed 40dB. Participant is responsible for obtaining the necessary permission from the copyright agencies in the case when music is played or other copyrighted objects are used in the Exhibit Space.

3.6. The Participant shall not be entitled to display any objects or their parts outside of the leased Exhibit Space.

3.7. In the event the Participant leases the Exhibit Space without equipment (without stand module), he/she shall not be entitled to execute the strengthening, support, dismantling or altering of the connections with the adjacent constructions of the neighbouring Exhibit Spaces.

3.8. The Participant shall take care of the leased Standard Equipment, Additional Equipment and Exhibit Space and after the closure of the exhibition shall transfer them to the Organiser in complete order, undamaged and unlettered.

4. Exhibition procedure

4.1. Passes. The Participant's badges are prepared with a barcode for each Participant. Participants may use temporary passes valid only on days when the exposition is being set up, dismantled or removed.

4.2. **Opening and closing of exhibition pavilions. Exhibition pavilions are open to Participants at 08:30 and closed 30 minutes after they have been closed for public access.** The Representative has to be present in the Participant's Exhibit Space as of the opening of the exhibition until the exhibition pavilion is closed for attendees, and until the Security Service of the exhibition pavilion invites the Representative to leave the Exhibit Space. The Representative must also be present in the Exhibit Space during the open period of set-up, dismantling and removal as long as Participant's property is located in the Exhibit Space. The open period of set-up, dismantling and removal is at the following time:

17.09.2019	09.00 - 20.00
18.09.2019	09.00 - 21.00
20.09.2019	19.00 - 22.00
21.09.2019	09.00 - 15.00
23.09.2019	09.00 - 17.00

Beyond the exhibition hours (at night) and during the closed period of set-up, dismantling and removal is at the following time, exhibition pavilions and open-air site are safeguarded. Unauthorised persons (including Participants) are not admitted in the territory of the exhibition centre at these periods of time.

Admission to the Exhibit Space beyond the exhibition hours (at night) and during the closed period of set-up, dismantling and removal is only granted with a special access permit issued by the Organiser (available at EUR 36 per hour, VAT excluded).

4.3. Parking for Participants' vehicles is at Zunda krastmala. Parking Lot 2 is located just beside of the exhibition centre. Parking pass should be easy-to-be-seen on the windscreen. **Entrance for Participants – Gate Nr. 13.**

4.4. Additional services offered by the Organiser

4.4.1. Cloakroom for Participants is located in the hall nr.2 near the Gate 13. Service is free for Participants.

4.4.2. Additional Equipment rental, forklift trucks, auxiliary workers, copying service, fax sending: according to the pricelist. (When ordering services, temporary payment documents are used. On the last day of the exhibition, they may be exchanged for accountable forms.)

5. Other provisions

5.1. If by **16:00 on 20.09.2019**, the Participant has not settled all payments set in the Contract-Application or other agreements between the Participant and the Organiser, the Organiser is entitled to arrest Participant's property located in the Exhibit Space or displayed commodities until the payment is settled in full and shall not be held liable for indemnification of losses to the Participant or third persons.

5.2. Provided the Participant after closure of the exhibition transfers the Exhibit Space to the Organiser in a littered state, he/she will be charged by the Organiser a fine of EUR 570.00.

5.3. Provided the Participant does not observe the terms of the acoustic advertising (including technological sounds), he/she will pay to the Organiser a fine in the amount of EUR 143.00 and immediately prevent the fault. For repeated breach of the terms regarding acoustic advertising, the Participant shall pay to the Organiser a fine in the amount of EUR 854.00 and immediately prevent the fault.

5.4. Participants are not allowed to use public toilets of the exhibition centre for their technical needs to take water and pour out used water. Taking and pouring out water for technical needs is possible at the specially arranged points in Hall 1 near the mezzanine and in Hall 2 near Gate 10.

5.5. Failure of a Participant to comply with Clause 5.2 of the Regulations will result in penalties amounting to EUR 72.00 that the Participant pays to the Organiser. Repeated failure to comply with Clause 5.2 of the Regulations will result in penalties amounting to EUR 143.00 that the Participant pays to the Organiser.
