2020

DEAR PARTICIPANT!

We would like to inform you that the Cabinet regulations of the Republic of Latvia provide that participants of the exhibition, when arriving in Latvia from abroad, have the possibility of not observing the 14-day self-isolation during the performance of their work duties. The self-isolation rule shall not be applicable to foreigners whose arrival in Latvia is necessary for the fulfilment of the commitments of merchants of Latvia.

If you want to participate in the exhibition, you must fill out an [INQUIRY FORM](#) and [AGREEMENT](#), which we will submit to the Latvian Investment and Development Agency (LIAA) with a request to apply a self-isolation exception for the duration of the exhibition (including the setting-up and removal of the exhibition).

BY CONCLUDING THE CONTRACT, YOU CERTIFY THAT:

1 You do not display signs of an acute respiratory disease.

2 You do not have a confirmed COVID-19 infection, attested by the results of the COVID-19 test performed in your home country no earlier than 3 days before arrival, as well as the results of the COVID-19 test to be carried out upon arrival in Latvia and submitting copies of the documents certifying that you tested negative for COVID-19. If you stay in Latvia for more than 5 days, you will have to perform repeated COVID-19 testing.

3 You are aware that exemption from self-isolation rule applies only for the period while you are in the exhibition (including the setting-up and removal of the exhibition).

4 Outside opening hours of the exhibition, you will ordinarily observe the 14-day self-isolation rule.

5 It is possible to observe self-isolation in your chosen place of residence (please make sure when booking a hotel).

6 You are aware that epidemiological safety measures have been established in Latvia for the containment of Covid-19 infection, so when you are in the exhibition, you must comply with the same requirements related to distancing, hygiene and health monitoring.

7 You will use our provided visor while in the exhibition and a face mask in a means of transport we will provide.

8 You will pay the costs of our provided transport from the airport, terminal, ferry terminal or railway station to the hotel and exhibition centre, as well as the transfer between these sites, because you are banned from using public transportation. The fee for the provision of transport services will be determined by agreement.

9 You will take care of your travel insurance, which covers the costs related to medical treatment, incl. the COVID-19 infection and, if necessary, medical treatment and accommodation costs until your departure from Latvia shall be borne by you.

10 You are aware that, according to Latvian legislation, in the event of failure to comply with the rules on self-isolation, the penalty for a natural person may be up to EUR 2000, and you will have your visa revoked.

NOTICE!

In order for the LIAA to be able to review the application and to respond, please submit signed documents no later than 14 days before the exhibition (by October 9)!

The costs for the preparation of documents, personal protective equipment and coordination of the duration of stay are EUR 96 + VAT per person.
